

Eric Joyner. *Majesty*. 2010.

Analyze!

Analysis, or the process of analyzing artwork, involves discussing the Elements of Art and the Principles of Design you see at work within the composition. Is there *value, line, shape, color, form, texture* and *space*? Explain where you see these Elements of Art within the composition. Do you see *variety, contrast, balance, unity, movement, proportion, emphasis* and *rhythm*? In a few sentences, explain how these Principles of Design are used in this artwork! (3 **COMPLETE** sentences)
