

Describe!

Describe exactly what you see within the composition. In your description, include shapes, forms, objects, people, animals and things. Explain what part of the composition these things appear in (left, right, top, bottom, background, foreground, etc.). You might also want to include details like color, shape and size. Stick to the facts. No opinions are needed here. (3 **COMPLETE** sentences)

Louise Bourgeois. *Maman*. 1999.
